RECITALS

WHEREAS, the County has granted the Franchisee a nonexclusive cable television franchise (the "Franchise") for a term of fifteen (15) years pursuant to Montgomery County Code, Chapter 8A (the "Cable Law"), as amended; Article 25A, Section 5(B) of the Annotated Code of Maryland, 1957, as amended; and the franchise agreement between the Franchisee and the County effective July 1, 1998 (the "Franchise Agreement");

WHEREAS, certain other obligations of the Franchisee are set forth in the Settlement Agreement among the County, the Franchisee, and SBC Media Ventures, L.P., dated June 10, 1998 (the "SBC Settlement Agreement"); and the Transfer Agreement dated August 1, 2000, among the County, the Franchisee, Comcast Cable of Maryland, Inc., Prime Communications, LLC, and Comcast Prime, LLC, ("Transfer Agreement") (hereafter the Cable Law, the Franchise Agreement, the SBC Settlement Agreement, and the Transfer Agreement, as any of them may be or may have been amended from time to time, are collectively referred to as the "Franchise Documents"); and

WHEREAS, the County has agreed to administer and enforce Chapter 8A and the comparable municipal ordinance within the corporate limits of each "Participating Municipality" (as identified on Exhibit 1) as amended, and therefore, the County has the authority to administer and enforce Chapter 8A and the comparable municipal ordinance along with the Franchise Agreement within the corporate limits of each Participating Municipality. Thus, to the extent permitted under Chapter 8A and Section 2(a)(2) of the Franchise Agreement, all references to the County shall include the Participating Municipalities; and

WHEREAS, Franchisee is a wholly owned subsidiary of Comcast-Maryland and Comcast-Maryland is a wholly owned subsidiary of Comcast Cable Communications, Inc. ("Comcast Cable"), which is a wholly owned subsidiary of Comcast Corporation ("Comcast Corp."); and

WHEREAS, pursuant to a transaction (the "Proposed Transaction") described in an Agreement and Plan of Merger dated as of December 19, 2001 (the "Merger Agreement"), AT&T Comcast will acquire control of the Franchisee and the cable system serving the County (the "System"); and

WHEREAS, if the Proposed Transaction is consummated, the Franchisee will continue to own and operate the System and will continue to hold the Franchise, but control of the System and the Franchisee will be transferred to AT&T Comcast (the "Transferee"); and

WHEREAS, Section 8A-23 of the County Code provides that the prior approval of the County is required for the Transfer; and

WHEREAS, on or about February 28, 2002, Comcast Corp. and AT&T Comcast filed an FCC Form 394 with the County and requested that the County approve the Proposed Transaction (the "Transfer Application"); and

WHEREAS, the County's approval of the Proposed Transaction is appropriate if (i) the Franchisee agrees to continue to be bound by, and Comcast-Maryland and AT&T Comcast each agree to cause the Franchisee to comply with, all of the provisions, terms, conditions and limitations prescribed in the Franchise Documents, the Cable Law, this Agreement, and all applicable federal, state and local laws, (ii) the County, after review of the Franchisee's performance under the Franchise, the quality of service during the Franchise term to date, and the financial, technical, legal and character qualifications of AT&T Comcast, determines that the plans of AT&T Comcast for constructing, operating and maintaining the Cable System are adequate, and (iii) the County determines that the Proposed Transaction is necessary and in the best interest of the County and its residents; and

WHEREAS, AT&T Comcast Comcast-Maryland and Franchisee have represented to the County that there are no current plans to change the operations of the System as a consequence of the Proposed Transaction; and

WHEREAS, the Franchisee has agreed that it will continue to comply with the Franchise Documents, this Agreement, and applicable law from and after the completion of the Proposed Transaction; and

WHEREAS, the Companies have represented that the Franchisee will not be an obligor for any debt that may be incurred to meet cash funding requirements of the Merger Agreement, and that no assets of the System will be encumbered as a result thereof; and

WHEREAS, the County has reviewed the Application and followed all required procedures to consider and act upon the Application; and

WHEREAS, the County and the Companies have reached agreement on the terms and conditions set forth herein, and the Companies agree to be bound by those terms and conditions.

NOW, THEREFORE, in consideration for the County's consent to the Proposed Transaction, and subject to the terms and conditions of this Agreement and of the County's Resolution consenting to the Proposed Transaction ("Transfer Resolution"), THE PARTIES DO HEREBY AGREE as follows:

1. TRANSFER

1.1. The foregoing recitals are true and correct and are incorporated herein by reference.

1.2. The County has consented through the Transfer Resolution to the Proposed Transaction as described in the Transfer Application, in consideration for the promises and performances of Comcast-Maryland, AT&T Comcast, Comcast Cable, and Franchisee as expressed in this Agreement.

2. ACCEPTANCE OF FRANCHISE OBLIGATIONS

2.1. Franchisee agrees that it will continue to comply with the Franchise Documents, this Agreement and applicable law, including, without limitation, Sections 2 and 12 of the Franchise Agreement.

2.2. Nothing in this Agreement amends or alters the Franchise Documents or any requirements therein in any way, except to the extent provided herein, and all provisions of the Franchise Documents remain in full force and effect and are enforceable in accordance with their terms and with applicable law.

2.3. The Companies agree that neither the Proposed Transaction nor the County's approval of the Proposed Transaction shall in any respect relieve the Franchisee or any of its successors in interest of responsibility for past acts or omissions, known or unknown. Franchisee hereby agrees that it shall continue to be liable for any such acts and omissions, known and unknown, including liability for any and all previously accrued but unfulfilled obligations to the County under the Franchise Documents and applicable law, for all purposes, including but not

limited to review of past performance for purposes of determining whether the Franchise should be renewed. Franchisee agrees that all acts and omissions of Franchisee occurring prior to this Agreement will continue to be deemed to be those of Franchisee. The Proposed Transaction shall not restrict or expand the rights of the Franchisee under or related to the Franchise Documents as compared to those that could have been exercised by the Franchisee prior to the Proposed Transaction.

2.4. The Companies shall ensure that all records pertaining to the Franchise, including financial records, shall continue to be available after the Proposed Transaction in the same way (or in an equivalent manner acceptable to the County) and to the same extent such information was available prior to the Proposed Transaction.

2.5. AT&T Comcast and Comcast-Maryland agree that, from and after the consummation of the Proposed Transaction, they will not take any action that would prevent Franchisee from fully complying with all of the terms and conditions set forth in the Franchise Documents and (when executed and delivered) this Agreement.

2.6. Pursuant to Section 8A-23 of the Cable Law, in the event of any future transfer, the Companies shall provide the County complete and accurate copies of all documents required by the FCC Form 394 and the Franchise Documents as part of any transfer application.

2.7. Franchisee agrees to provide a parent company guarantee from Comcast Cable guaranteeing performance by Franchisee of all of Franchisee's obligations under the Franchise Documents and this Agreement. The guarantee shall guarantee the complete and prompt observance, fulfillment and performance by the Franchisee of each and every provision and obligation of the Franchise Agreement, the SBC Settlement Agreement, the Transfer Agreement, and this Agreement. The signed guarantee must be provided in the form attached hereto as Exhibit 3 within thirty (30) days of the closing of the Proposed Transaction, together with a notarized statement of the date the closing was completed, and shall remain in full force and effect for five (5) years from the date of closing of the Proposed Transaction. In consideration of the foregoing guaranty, and upon the County's receipt of the guarantee in the form attached, the County shall fully release the letter of credit issued to it as security for completion of the

construction of the upgrade of the cable system and I-NET in the County. Until the delivery of the guarantee, the letter of credit shall remain in full force and effect in accordance with its terms.

2.8. The County reserves all rights not expressly granted in Transfer Agreement and this Agreement, including without limitation those specified below.

2.9. The County waives none of its rights with respect to the Franchisee's compliance with the requirements set forth in the Franchise Documents. At no time will the Companies contend, either directly or indirectly, that the County is barred, by reason of the Proposed Transaction or its approval, from considering, or raising claims based on, any defaults of Franchisee, any failure by Franchisee to provide reasonable service in light of the community's needs and as required under the Franchise Documents, or any failure by Franchisee to comply with the terms and conditions of the Franchise Documents or with applicable law. The County's approval of the Proposed Transaction shall in no way be deemed a representation by the County that the Franchisee is in compliance with all of its obligations under the Franchise Documents.

2.10. Neither this Agreement, nor any other action or omission by the County at or before the execution of this Agreement, shall be construed to grant the County's consent to any future transfer of the Franchise and/or the System, and/or any future change in ownership and/or control of the Franchise and/or the System, or to mean that the County's consent to any future transaction is not required.

2.11. Any consent given by the County to the Proposed Transaction is made without prejudice to, or waiver of, the County's right to investigate and take into account any lawful considerations during any future franchise renewal or transfer process.

2.12. This Agreement does not affect and shall not be construed to affect any rights or authority that the County may have to regulate or authorize, by ordinance, license or otherwise, use of the public rights-of-way for purposes other than for cable service. To the extent that the Companies are providing and may seek to provide a service other than cable service over the System, the County reserves the right to require any additional authorizations regarding such services that it may lawfully require. Consent to the Proposed Transaction shall not be deemed

to be consent to the use of the public rights-of-way by any of the Companies or any of their Affiliates for any purpose other than the provision of cable service.

2.13. The Companies agree that County approval of the Proposed Transactions does not diminish or waive any rights of the County to regulate or otherwise affect the Companies provision of services over the cable system.

2.14. The County reserves any rights it may have regarding Franchisee's obligation to pay a franchise fee and other compensation related to use of the rights-of-way for cable modem service provided within the County. The County's consent to the Proposed Transaction shall not diminish or waive any rights the County may have with respect to collecting such franchise fees and compensation, nor does the consent relieve the Franchisee of any obligation to pay such compensation, past, present, or future, or limit any right the County has to allocate revenues between cable modem and television services for purposes of calculating franchise fees on bundled services. Franchisee agrees to provide the County regular reports on cable modem service revenues, in a format specified by the County, at the same time the Companies provide any other financial reports to the County.

2.15. The County reserves any rights it may have to regulate cable modem service and other services over the cable system under applicable law, including, without limitation, the right to adopt rules related to subscriber privacy and customer service.

3. NO EFFECT ON RATES

The Franchisee represents and warrants that neither the Proposed Transaction nor this Agreement (with the exception of the requirements to provide closed captioning and cure the items set forth in Exhibit 2) will result in any increase in subscriber rates.

4. REPRESENTATIONS AND WARRANTIES

4.1. Each of the Companies hereby represents and warrants that at the time of the execution of this Agreement: (a) it is duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is organized; (b) the Franchise Documents and,

assuming due execution hereof by the other parties hereto, this Agreement constitute legal, valid and binding obligations of such Company enforceable in accordance with their terms; (c) the execution and delivery of, and performance by such Company under, this Agreement and the Franchise Documents, where applicable, are within such Company's power and authority without the joinder or consent of any other party and have been duly authorized by all requisite corporate or partnership action on the part of such Company and are not in contravention of such Company's partnership agreement, charter, bylaws, and/or other organizational documents; and (d) no representation made to the County by such Company is incomplete, untrue or inaccurate in any material respect.

4.2. Franchisee represents and warrants that neither the Proposed Transaction nor this Agreement will adversely affect its ability to meet the requirements of the Franchise Documents.

4.3. The Companies represent and warrant that the Proposed Transaction will not adversely affect the provision of cable services to subscribers, the technical performance of the System, or the Franchisee's obligations under the Franchise Documents. Franchisee represents and warrants that after the Proposed Transaction, Franchisee's financial qualifications will be such as shall enable it to maintain and operate its system in the County.

4.4. Franchisee represents and warrants that as a consequence of the Proposed Transaction there will not be any reduction in its ability to meet the customer service and system maintenance and repair requirements under the Franchise Documents.

4.5. Franchisee represents and warrants that it owns, in its own name, all of the cables, equipment and other physical facilities that constitute the System.

4.6. The Companies represent and warrant that they (a) shall be bound by all terms and provisions of this Agreement, (b) shall not raise any claim that any term or provision herein is inconsistent with federal law, and (c) understand and accept that the County has relied on the truthfulness, accuracy and completeness of all of their respective representations and warranties in this Agreement in granting approval to the Proposed Transaction.

4.7. The Franchisee represents and warrants that it has not entered into, and has no intention of entering into, any exclusive programming agreement, as described in County Code Section 8A-15(c)(1), in violation of applicable law.

4.8. The Franchisee will, at all times, post on its website all available rates for any cable or other service that the Franchisee offers, including any promotional or special rates. This paragraph is effective only if all cable franchisees in the County agree to the same requirement.

5. **COMMITMENTS BY THE FRANCHISEE**

5.1. The Franchisee, Comcast-Maryland and AT&T Comcast agree to reimburse the County for all costs, including fees and expenses, actually and reasonably incurred (including, without limitation, for attorneys and financial and technical consultants) in the County's review of the Transfer Application, including but not limited to the costs of negotiations, evaluating the past performance and qualifications of Franchisee and AT&T Comcast, and preparing this Agreement and related documentation. The amount of the application fee shall be credited against the County's fees and expenses. Payment to the County shall be delivered within thirty (30) days of receipt of invoices, provided that no payment shall be made to the County unless the County Council has approved this Agreement. Such payments are in addition to any franchise fee, and such payments shall not be treated as costs eligible for treatment as conditions of the franchise in accordance with 47 CFR §76.925. Failure to make timely payment of these costs and expenses, except to the extent that they are the subject of legitimate dispute, shall constitute a material violation of this Agreement.

5.2. The Franchisee, within thirty (30) days of the closing of the Proposed Transaction, shall increase the amount of the performance bond provided pursuant to Section 14(a) of the Franchise Agreement to \$5 million and shall maintain the performance bond at that level for a period of five (5) years from the date of the closing of the Proposed Transaction, after which time it shall be reduced to \$2 million for the remainder of the franchise term.

5.3. The Franchisee shall comply with all federal regulations regarding the closed captioning of all programming provided over the System. The Companies also agree that, within sixty (60) days from the date the Council approves the Proposed Transaction, the five-minute

news segment produced by the Franchisee for insertion on CNN Headline News in the County shall be closed captioned, regardless of whether such closed captioning is required under federal law.

5.4. The Franchisee shall cure the items identified by the County in Exhibit 2 within thirty (30) days of the effective date of this Agreement. In the event that the Franchisee cannot cure any item by the required date, the Franchisee may request that the County grant the Franchisee an extension of time to cure, provided that Franchisee can demonstrate that it has undertaken actions reasonably designed to effect a cure prior to the cure deadline.

5.5. The Companies represent and warrant that the Companies have no current plans, and the Proposed Transaction does not require the Franchisee, to move either of the call centers currently operating in Montgomery County from Montgomery County.

6. INDEMNIFICATION

6.1. Each of the Companies agrees to indemnify and hold the County, its elected and appointed officers, officials, employees, agents, and contractors, harmless against any loss, claim, damage, liability or expense (including, without limitation, reasonable attorneys' fees) caused by any representation or warranty made by that Company herein which is determined by a court of competent jurisdiction or by the parties to be untrue or inaccurate in any material respect.

6.2. Franchisee shall indemnify and hold the County, its elected and appointed officers, officials, employees, agents, and contractors, harmless against any loss, claim, damage, liability or expense (including, without limitation, reasonable attorneys' fees) incurred by the County in connection with any action or proceeding commenced by a third party (not one of the parties to this Agreement) claiming or asserting any liability of the County relating to or arising from the Proposed Transaction or this Agreement.

7. ADDITIONAL CONDITIONS

7.1. In the event the Proposed Transaction does not close by March 31, 2003, or closes on terms that are in any material respect different from the terms disclosed to the County in the FCC Form 394 filed with the County on February 28, 2002, and in letters (a) to County Cable Administrator Jane E. Lawton dated April 5, 2002, from Comcast Vice President Sheila R. Willard, (b) to Ms. Lawton dated April 12, 2002, from Comcast Director of Public Affairs Ellen Coren Bogage, (c) to Ms. Lawton and Special Assistant to the County Executive Jerry Pasternak received April 26, 2002, from Comcast Vice President Lori Riordan, and (d) to Ms. Lawton and the County's financial consultant, Garth T. Ashpaugh received May 2, 2002, from Ms. Willard, then the County's consent to the Proposed Transaction shall automatically be deemed void and of no force or effect, and the Proposed Transaction shall be deemed to have been timely denied.

7.2. The Companies hereby waive any and all claims that they may have that any denial of the Transfer Application that results from failure of the conditions in Section 7.1 fails to satisfy the deadlines established by applicable law including, without limitation, claims based on, arising out of, or relating to 47 U.S.C. § 537, as amended, and agree that they shall be deemed to have agreed to an extension of the time to act on the Transfer Application as required to make any such denial effective.

8. BREACHES

Any breach of this Agreement or any exhibit thereto shall be deemed a breach of the Franchise Agreement and shall be subject to all remedies available for a breach of the Franchise Agreement, in addition to any other remedies the parties may have under this Agreement at law or equity.

9. MISCELLANEOUS PROVISIONS.

9.1. **Effective Date:** This Agreement shall be effective and binding upon the signatories once it has been signed by all signatories, provided that the Companies sign and deliver executed copies to the County no later than August 30, 2002. If all Companies do not

sign and deliver executed copies of this Agreement by 5 p.m. on August 30, 2002, the County, in its sole, absolute and non-reviewable discretion, may elect to declare its consent to the Proposed Transaction void and of no force or effect, and the Proposed Transaction will be deemed to have been timely denied.

9.2. **Binding Acceptance:** This Agreement shall bind and benefit the parties hereto and their respective heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns, and the promises and obligations herein shall survive the expiration date hereof. Any purported assignment of this Agreement is void without the express written consent of the signatories.

9.3. **Voluntary Agreement:** This Agreement is freely and voluntarily given by each party, without any duress or coercion, and after each party has consulted with its counsel. Each party has carefully and completely read all of the terms and provisions of this Agreement. Neither any of the Companies, nor any of their affiliates, nor the County, will take any action to challenge any provision of this Agreement; nor will they participate with any other person or entity in any such challenge.

9.4. **Severability:** If any term, condition, or provision of this Agreement shall, to any extent, be held to be invalid, preempted, or unenforceable, the remainder hereof shall be valid in all other respects and continue to be effective.

9.5. **Counterparts:** This Agreement may be executed in several counterparts, each of which when so executed shall be deemed to be an original copy, and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all parties shall not have signed the same counterpart.

9.6. **Conforming Amendments to Franchise Agreement:** AT&T Comcast and Franchisee agree to accept Franchise amendments that may be adopted by the County to the extent necessary to reflect the Proposed Transaction or the provisions of this Agreement.

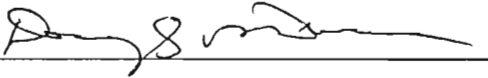

9.7. **Governing Law:** This Agreement shall be governed in all respects by the law of the State of Maryland and applicable federal law.

9.8. **Captions and References:** The captions and headings of sections throughout this Agreement are intended solely to facilitate reading and reference to the sections and provisions of this Agreement. Such captions shall not affect the meaning or interpretation of this Agreement.

GUARANTEE OF PERFORMANCE

WHEREAS, the County has granted the Franchisee a nonexclusive cable television franchise (the "Franchise") for a term of fifteen (15) years pursuant to Montgomery County Code, Chapter 8A (the "Cable Law"), as amended; Article 25A, Section 5(B) of the Annotated Code of Maryland, 1957, as amended; the franchise agreement between the Franchisee and the County effective July 1, 1998 (the "Franchise Agreement"); the Settlement Agreement among the County, the Franchisee, and SBC Media Ventures, L.P., dated June 10, 1998 (the "SBC Settlement Agreement"); the Transfer Agreement dated August 1, 2000, among the County, the Franchisee, Comcast Cable of Maryland, Inc., Prime Communications, LLC, and Comcast Prime, LLC, ("Transfer Agreement"); and the AT&T Comcast Transfer Agreement among the County, the Franchisee, Comcast Cable of Maryland, Inc., and AT&T Comcast dated _____, 2002 (the "Agreement") (hereafter the Cable Law, the Franchise Agreement, the SBC Settlement Agreement, the Transfer Agreement and the Agreement, as any of them may be or may have been amended from time to time, are collectively referred to as the "Franchise Documents");

WHEREAS, Comcast Cable Communications, Inc. ("Guarantor") is an indirect parent of the Franchisee and will have a substantial interest in the Franchise, in the conduct of the Franchisee, and in the Franchise Documents, which are incorporated herein by this reference;

NOW, THEREFORE, the Guarantor hereby unconditionally guarantees the due and timely performance of any and all obligations of the Franchisee required by the Franchise Documents. This Guarantee, unless terminated, substituted or canceled as hereinafter provided, shall remain in full force and effect for a period of five years from the date of this Guarantee, provided, however, that upon the County's prior written approval of a substitute guarantor, which approval shall not be unreasonably withheld, this Guarantee may be terminated, substituted or canceled upon written notice from the Guarantor to the County and the Franchisee. Any such substitution of the Guarantor will be implemented in a manner that ensures that the substitute guarantee is in place and effective prior to or contemporaneously with the termination, substitution or cancellation of this Guarantee so that there is no breach in coverage.

Any such notice to be given hereunder shall be addressed to the Bruce Romer, Chief Administrative Officer of Montgomery County and Jane Lawton, Cable Communications Administrator for Montgomery County with a copy to the Franchisee. Such termination shall not affect liability incurred or accrued under this Guarantee prior to the effective date of such termination or cancellation.
